

FITFLEX GREEN SUCTION HOSE (XXL DUTY)

Introduction:

Fitflex is the real hose for suction and delivery application. It is flexible, durable and easy to handle

Advantages:

Light Weight: Often only $\frac{1}{4}$ that of rubber hose has which makes it easy to Carry and install.

Flexible: The flexibility of hose retained for many years. It can be bent as desired. No kinking bulging or bursting even in the most severe working conditions.

Resistance: It shows strong resistance to high pressure and most of the chemicals, acids and alkalis. Ideal for pressure suction & delivery of water

Weather Proof: Resistant to sun, ozone and weather.

Easy Fitting: Easily installed, even to non-standard couplings.

Smooth Bore: Allows fast flow.
